are there some things that you wished others would discuss many times i have gone into the bookstore and have hoped that i would find a book that dealt with some of the tough things in life i would find a few topics in a book but many topics were not being discussed one day while i was at work one of my co workers told me that she was writing a book about poems i got so excited for her but at the same time god began to stir up some things within me he reminded me about the spiritual highlights that he had given me the next time i saw my co worker i told her about the highlights and she encouraged me to get them published spiritual highlights for our souls is a book written for the unsaved and saved it is a book that does not make you feel that you are unworthy of god s love but it makes you feel that his love is unconditional for you the highlights covers many topics that most people think about but chooses not to discuss some of the highlights will make you cry some will make you laugh and all of them will inspire you to tell satan enough is enough

spiritual highlights for our souls book 2 was written to encourage us in fulfilling the calling on our lives these highlights reflect gods forever awareness presence and power have you ever ask god the following questions 1 god did you see that 2 god did you plan for it to happen that way 3 god was it really necessary for me to go through all that the answers to the above questions have not changed god sees all knows all and he has a master plan when god created his master plan he knew that we would face challenges but regardless of the challenges he expects for us to fulfill the calling on our lives he expects for us to lean and depend upon him only to put all our trust in him for us to use our gifts talents to help others and for us to advance his kingdom let us not just be hearers of the word let us also be doers

this unique text reference provides a coherent and comprehensive overview of all aspects of video analysis of humans broad in coverage and accessible in style the text presents original perspectives collected from preeminent researchers gathered from across the world in addition to presenting state of the art research the book reviews the historical origins of the different existing methods and predicts future trends and challenges features with a foreword by professor larry davis contains contributions from an international selection of leading authorities in the field includes an extensive glossary discusses the problems associated with detecting and tracking people through camera networks examines topics related to determining the time varying 3d pose of a person from video investigates the representation and recognition of human and vehicular actions reviews the most important applications of activity recognition from biometrics and surveillance to sports and driver assistance

today s global citizens operate business and management endeavors on a global scale globalization generates an increasing demand for effective communication in diverse cultural contexts and challenges the relevance of culture in operating businesses in the global village communication differences are apparent in many scenarios expatriates of international organizations operating abroad adopt their native cultural values to motivate employees of foreign cultures with an entirely different perspective they use one culture s motives to move people from other cultures in global marketing communication the communicators use values systems of their native culture to develop advertising for other cultures they use categorizations of one culture to describe others such divergence in attitudes perspectives and priorities of suppliers and customers with different cultural backgrounds have led to many project failures in international organizations an in depth understanding of cultural backgrounds and the potential impact on communication of the people one is interacting with can increase the probability of business success among investors managers entrepreneurs and employees operating in diverse cultures however effective cross cultural business communication needs to recognize and adopt an interdisciplinary perspective in understanding the cultural forces leung k et al 2005 therefore we need a multidisciplinary paradigm to carry on effective and successful business communication in our contemporary global village
